

RadioNet: Project Summary Report

RadioNet Trans-national Access (TNA) users are required to complete the following Project Summary Report. The report should be completed **once** by each User Group leader **as soon as the experiments on the infrastructure come to an end or data reduction is completed**. TNA travel and subsistence will not be reimbursed until the Project Summary Report has been submitted to the TNA Facility.

All reports will be treated in the strictest confidence. The information given will only be used for monitoring and assessment purposes.
